DAY 1

Hobart is one of the world's most picturesque harbour cities, so spend day one exploring the historic waterfront areas of Salamanca and Battery Point. Don't miss the much-admired **Tasmanian Museum and Art Gallery** and wander the rows of Georgian sandstone warehouses that are now the galleries, theatres and restaurants of **Salamanca Place**. Dine at one of Hobart's new breed of restaurants that are drawing chefs and diners from all over Australia.

DAY 2

The next morning, take a deep breath and board the Mona Roma ferry to **Mona (Museum of Old and New Art)** for *The Full-On Turrell*. Check into your luxury **Mona Pavilion** then descend into the subterranean sex and death-themed museum. *The Full-On Turrell* gives exclusive access to all of famed light artist James Turrell's brain bending works, of which **Mona** has one of the best collections in the world. Late afternoon, enjoy sparkling wine and oysters beneath the sunset-activated Amarna. Dinner is a very fancy VIP food and wine degustation in **Faro** restaurant, rubbing shoulders with a few more Turrells.

DAY 3

Breakfast on day three is in **Mona's** chef's hatted **Source Restaurant** - Bloody Marys optional. Explore any parts of **Mona** you missed the day before, then return to Hobart and make the 90-minute trip by car south-east to the **Tasman Peninsula**. Check into your accommodation in the **Port Arthur** area.

DAY 4

On day four, enjoy a leisurely morning before joining at 11am the Wheel of Fate at Port Arthur Historic Site. Port Arthur is the best-preserved convict settlement in Australia and among the most significant convict era sites in the world. History and scenic beauty combine with innovative interpretation to tell the stories of the harsh discipline and determined industry of the settlement.

The Wheel of Fate experience puts visitors in the shoes of some of Port Arthur's most notable individuals, seeing where they worked, slept and ate and going behind the bars to explore 19th century life in this infamous prison settlement. Following the tour you get to enjoy a private banquet of local Tasman Peninsula produce in a lunch prepared by Port Arthur Historic Site's head chef, within the walls of this World Heritage-Listed site, before returning to your accommodation.
