### DAY 2

The **Qantas Founders Museum 'Spirit of Australia' Platinum Tour** starts at 7.30am or 8am (depending on the season). This premium experience incorporates all the museum has to offer. Start with a three-hour guided tour of the Boeing 747 and 707. See the 'black box' flight recorders, learn how to 'arm the doors', sit in the pilot's seat, inspect the cargo hold and the exterior of the Super Constellation and take a walk on the wings of the Boeing 747 and 707 - the only place in the world to do it! After the tour, take the rest of the day to explore the museum and enjoy a meal in the McGinness' Restaurant before leaving with your personal souvenir photo.
