MONA Museum, Tasmania

ABOUT

Cultural Attractions of Australia (CAOA) is a collective of 19 of Australia's most iconic cultural attractions which celebrate the country's diverse ethnic, cultural and sporting influences and showcase how the nation has been defined by its history

CAOA members bring to life Australia's cultural stories and provide compelling options for business event participants to learn, understand and experience something unique and memorable.

Attractions, venues and experiences range from UNESCO World-Heritage listed sites to hallowed sporting arenas, galleries, museums and performance spaces, with exclusive access often provided and unique insights delivered by expert guides and curators.

Many CAOA members also offer excellent conference and meeting venues and when combined with an exclusive-use signature experience, deliver business events with impact.

The behind-the-scenes experiences can enhance conference social programs, provide inspiring accompanying

partner activities, deliver unforgettable teambuilding concepts or be the ultimate incentive reward for high-achievers.

HOW CAN WE HELP?

CAOA is a one-stop source for creative ideas – we can assist with:

- Tailor-made experience & venue selection for your event.
- Inspiring activity & function ideas.
- Providing introductions to our members.
- Images to promote your event and the selected CAOA experience.

'We chose the sporting capital of the world, Melbourne, as our destination with a culmination evening hosted exclusively at the iconic Melbourne Cricket Ground. In India there is no greater passion than that of cricket and the MCG brought that very emotion to life.'
